Elohim Breakthrough Ministries Worldwide

COPYRIGHT DR. ADAGA 2024 | ALL RIGHTS RESERVED | ELOHIM BREAKTHROUGH MINISTRIES WORLDWIDE

*W*elcome to our first Calendar 5784!

The purpose of this Calendar , is to first and foremost, HONOR ELOHIM!!!! We dedicate this as first fruit and all to come unto ELOHIM. We believe the Calendar, which was initially given to the Jews, belongs to God and is not per se the sole ownership of a specific nation. God is the sole owner, and He has generously revealed His truth to us. Multitudes of other calendars exist and have appeared over the ages, and many are still active in different cultures, regions and globally. We vehemently reject the Babylonian names of the current calendar. We have

produced, with the empowerment of Holy Spirit, the original calendar according to God's DESIGN.

This Apostolic / Prophetic Calendar is a true support to anyone, especially those called as leaders in God's Kingdom. The combined outlay consists of paintings done by Mrs. Karen Opperman, embellishment by Dr. Adaga Eliyahu.

I trust that you will enjoy and be greatly inspired as you journey through the prophetic related to the TABERNACLE of God and the Calendar of God.

I bless you all!!!!

$S = d/t$ (Average speed equals distance divided by time)
 Sound in essence is a vibration that travels.
 Thus involves,
 Movement,
 Locality,
 Destiny reached
 through wave formations.

We refer to the Greek term **ECCLESIA** and not the anglicized version 'church'. River of Life International Ecclesia is based on the biblical foundation of Hebrews 6:1-2; which is a New Generational Discipleship of the celebration and the importance of the 'FEASTS' of YHVH (Lev. 23); fully activated in all the gifts of Father, Son and Holy Spirit. We function as a Giver Redemptive Gift Ecclesia.

SOUND

"and God SAID"

Sound is energy released. It's carried over distance in the definition of quantum language driven by an energy formulating frequencies and vibrations or vibratory forms. These waves travel a specific distance & the displacement of particles conveys the message of specific vibrations in related energy. Hence Sound is thus emitted from a source & carried to a recipient.

Data co-exists with Maths in context of Creation. I believe that the mathematical 'Tiling' concept combined with the Mandelbrot numbers idea support Creation, a reproductive system of smaller numbers. Example: π - 3.141 and continues into 39 decimal points, perhaps more. These Mandelbrot numbers of related formulation reproduce in endless geometrical shapes, sizes & colors.

In the 'Outer Court' you find the Altar regarding the offerings. This signifies the importance and position of the **CROSS** of the LAMB and it can never be emphasized enough.

Fire is an oxidative process. Flames are the visible element of fire but in essence it entails a far wider dynamic. Fire per se is - ENERGY. Therefore fire is a state of energy exposed in a creative transfiguration. My understanding is fire is light carrier with heat properties a substance representing God's presence & power. Spiritually there isn't an oxidative process as the 'burning bush' states

The most profound properties are hidden in its ability to conduct sound. It carries & conveys a message in frequencies & vibrations. Secondly, without water life is not sustainable. Hence, water conveys a life-giving frequency & vibration. Life is SPIRIT & LIGHT and water conveys thus SPIRIT & LIGHT.

SPIRIT is the 'foundational' building block of 'ALL THINGS'!
 Spirit age precedes any other entity. There is LIFE-LIGHT in the spirit and spirit is the carrier of the concept — ETERNITY —
 Thus spirit has no beginning and no end.

We believe SOUTH AFRICA is a GIVER nation Redemptive Gift. The nine provinces each are identified individually with a specific redemptive gift mantle and will be guided and governed by Holy Spirit in this regard.

South Africa is an extremely prophetic nation. This image depicts the truth of it.

On the right side of the N1 we believe that the letter LAMED (KINGDOM) forms the male portion of the country.

The N1 = Khaf – symbolising the potential of RSA. The western letter is represented by YUD in context of the female portion.

The letter SHIN is the heart of the fire of Elohim. Thus RSA is a GIVER nation covered with HEART OF FIRE for GOD.
